**COMPLAINT FOR FORECLOSURE**

Plaintiff, the United States of America, states as follows:

1. This is a mortgage foreclosure action brought by the United States of America on behalf of its agency, the United States Department of Agriculture Rural Housing Service also known as Rural Development (hereinafter collectively “RHS”).

2. Jurisdiction arises under 28 U.S.C. § 1345. Venue is proper in this judicial division, where the subject property is located.

3. RHS is the holder of a promissory note (“the Note”) executed for value on April 18, 1996 by Defendant **Gina L. Thompson a/k/a Gina L. Howes** (“the Borrower”). The principal amount of the Note was \$46,280.00, bearing interest at the rate of 6.75 percent per annum, and payable in monthly installments as specified in the Note. A copy of the Note is attached as **Exhibit A** and incorporated by reference as if set forth fully herein.

4. The Note is secured by a Real Estate Mortgage (the “Mortgage”) recorded on April 18, 1996, in Mortgage Book 253, Page 585, in the Office of the Clerk of Marshall County, Kentucky. Through the Mortgage, the Borrower, unmarried, granted RHS a first mortgage lien against the real property including all improvements, fixtures and appurtenances thereto at 200 East 14<sup>th</sup> Street, Benton, Marshall County, Kentucky (the “Property”) and described in more detail in the Mortgage. A copy of the Mortgage is attached as **Exhibit B** and incorporated by reference as if set forth fully herein.

5. To receive subsidies on the loan, the Borrower signed a Subsidy Repayment Agreement authorizing RHS to recapture, upon transfer of title or non-occupancy of the Property, any subsidies granted to the Borrower by RHS. A copy of the Subsidy Repayment Agreement is attached as **Exhibit C** and incorporated by reference as if set forth fully herein.

6. On or about April 18, 2003, the Borrower, for value, executed and delivered to RHS a Reamortization Agreement which changed the terms of the original Note. Specifically, the unpaid principal and the unpaid interest were combined for a new principal amount of \$43,976.32, and the amount of the monthly installment payment was increased to \$299.39. A copy of the Reamortization Agreement is attached as **Exhibit D** and incorporated by reference as if set forth fully herein.

7. The Borrower has defaulted on the Note and Mortgage by failing to make payments when due.

8. RHS has, in accordance with the loan documents, accelerated the loan and declared the entire principal balance, together with all accrued and unpaid interest and all other sums due under the loan documents, to be due and payable. Further, RHS sent notice to the Borrower of the default and acceleration of the loan.

9. In accordance with the loan documents, the United States is entitled to enforce the Mortgage through this foreclosure action and to have the Property sold to pay all amounts due, together with the costs and expenses of this action.

10. The unpaid principal balance on the Note is \$25,826.68 with accrued interest of \$5,377.99 through September 18, 2019 with a total subsidy granted of \$21,975.78, late charges in the amount of \$47.88, and fees assessed of \$12,491.47, for a total unpaid balance of \$65,719.80 as of September 18, 2019. Interest is accruing on the unpaid principal balance at the rate of \$6.8857 per day after September 18, 2019.

11. The Property is indivisible and cannot be divided without materially impairing its value and the value of RHS's lien thereon.

12. The Mortgage granted to RHS by the Borrower is a purchase money mortgage. The United States is unaware if the Borrower has a spouse, but even if such spouse existed, pursuant to KRS 392.040(1), any surviving spouse shall not have a spousal interest in land sold in good faith after marriage to satisfy an encumbrance created before marriage or to satisfy a lien for the purchase money.

13. Defendant **Midland Funding LLC** may claim an interest in the Property by virtue of a Notice of Judgment Lien recorded on April 28, 2009 in Encumbrance Book 54, Page 609 in the Marshall County Clerk's Office, a copy of which is attached as **Exhibit E**. The interest of this Defendant is inferior in rank and subordinate in priority to the first mortgage lien on the Property in favor of RHS, and the Plaintiff calls upon this Defendant to come forth and assert its interest in or claim upon the Property, if any, and offer proof thereof, or be forever barred.

14. There are no other persons or entities purporting to have an interest in the Property known to the Plaintiff.

WHEREFORE, Plaintiff, the United States of America, on behalf of RHS, demands:

a. Judgment against the interests of the Borrower in the Property in the principal amount of \$25,826.68 with accrued interest of \$5,377.99 through September 18, 2019 with a total subsidy granted of \$21,975.78, late charges in the amount of \$47.88, and fees assessed of \$12,491.47, for a total unpaid balance of \$65,719.80 as of September 18, 2019, with interest accruing at the daily rate of \$6.8857 from September 18, 2019, until the date of entry of judgment, and interest thereafter according to law, plus any additional costs, disbursements and expenses advanced by the United States;

b. That the United States be adjudged a lien on the Property, prior and superior to any and all other liens, claims, interests and demands, except liens for unpaid real estate ad valorem taxes;

c. That the United States' lien be enforced and the Property be sold in accordance with 28 U.S.C. §§ 2001-2003 subject to easements, restrictions and stipulations of record, but free and clear of all other liens and encumbrances except liens for any unpaid ad valorem real property taxes;

d. That the proceeds from the sale be applied first to the costs of this action, second to any ad valorem real property taxes, if any, third to the satisfaction of the debt, interest, costs and fees due the United States, with the balance remaining to be distributed to the parties as their liens or interests may appear;

e. That the Property be adjudged indivisible and be sold as a whole; and

f. That the United States receive any and all other lawful relief to which it may be entitled.

If this note is held by an insured lender, prepayments made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on either a calendar quarter basis or an annual installment due date basis. The effective date of any prepayment retained and remitted by the Government to the holder on an annual installment due date basis shall be the date of the prepayment by Borrower, and the Government will pay the interest to which the holder is entitled accruing between the effective date of any such prepayment and the date of the Treasury check to the holder.

**CREDIT ELSEWHERE CERTIFICATION:** Borrower hereby certifies that he/she is unable to obtain sufficient credit elsewhere to finance his/her actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in or near his/her community for loans for similar purposes and periods of time, and that the loan evidenced hereby shall be used solely for purposes authorized by the Government.

**LEASE OR SALE OF PROPERTY:** If the property constructed, improved, purchased, or refinanced in whole or in part with the loan evidenced hereby is (1) leased or rented with an option to purchase, (2) leased or rented without option to purchase for a term exceeding 3 years, or (3) sold or title is otherwise conveyed, voluntarily or involuntarily, the Government may at its option declare the indebtedness evidenced hereby immediately due and payable.

**REFINANCING AGREEMENT:** Borrower hereby agrees to provide periodic financial information as requested by the Government. If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and period of time, Borrower will, at the Government's request, apply for and accept a loan in sufficient amount to pay this note in full and, if the lender is a cooperative, to pay for any necessary stock. This paragraph and the preceding paragraph shall not apply to any comaker signing this note pursuant to Section 502 of the Housing Act of 1949 to compensate for deficient repayment ability of other undersigned person(s).

**CREDIT SALE TO NONPROGRAM BORROWER:** The provisions of the paragraphs entitled "Credit Elsewhere Certification," and "Refinancing Agreement" do not apply if (1) this promissory note represents in whole or part payment for property purchased from the Government and (2) the loan represented by this promissory note was made to the borrower as a nonprogram borrower under Title V of the Housing Act of 1949, as amended, and regulations promulgated thereunder.

**DEFAULT:** Failure to pay when due any debt evidenced hereby or perform any covenant or agreement hereunder shall constitute default under this instrument and any other instrument evidencing a debt of Borrower owing to, insured or Guaranteed by the Government or securing or otherwise relating to such a debt; and default under any such other instrument shall constitute default hereunder. UPON ANY SUCH DEFAULT, the Government at its option may declare all or any part of any such indebtedness immediately due and payable.

**SUBSIDY REPAYMENT AGREEMENT:** Borrower agrees to the repayment (recapture) of subsidy granted in the form of interest credits. Subsidy will be repaid when the borrower's account is settled by sale of the security property, refinancing or payment in full and will be calculated in accordance with regulations in effect at the time of settlement. This Note shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions hereof.

(1) **To pay promptly** when due any indebtedness to the Government hereby secured and to **indemnify** and save harmless the Government against any loss under its insurance of payment of the note by reason of any default by Borrower. At all times when the note is held by an insured holder, Borrower shall continue to make payments on the note to the Government, as collection agent for the holder.

(2) **To pay** to the Government such fees and other charges as may now or hereafter be required by regulations of the Farmers Home Administration.

(3) If required by the Government, to make additional monthly payments of 1/12 of the estimated annual taxes, assessments, insurance premiums and other charges upon the mortgaged premises.

(12) Except as otherwise provided by the Farmers Home Administration regulations, neither the property nor any portion thereof or interest therein shall be leased, assigned, sold transferred, or encumbered voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as mortgagee hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured holder shall have any right, title or interest in or to the lien or any benefits hereof.

Any and all this can and will be done without affecting the lien or the priority of this instrument or Borrower's or any other party's liability to the Government for payment of the note or debt secured by this instrument unless the Government says otherwise in writing. HOWEVER, any forbearance by the Government—whether once or often—in exercising any right or remedy under this instrument, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

(15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.

(16) Default hereunder shall constitute default under any other real estate, or under any personal property, or other security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.

(17) SHOULD DEFAULT occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should any one of the parties named as Borrower die or be declared an incompetent, or should any one of the parties named as Borrower be discharged in bankruptcy or declared an insolvent, or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future law.

(18) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to the Government secured hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other indebtedness of Borrower owing to or insured by the Government, and (f) any balance to Borrower. At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government's share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.

(19) Borrower agrees that the Government will not be bound by any present or future State laws, (a) providing for valuation, appraisal, homestead or exemption of the property, (b) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action may be brought, (c) prescribing any other statute of limitations, (d) allowing any right of redemption or possession following any foreclosure sale, or (e) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the property to a new Borrower. Borrower expressly waives the benefit of any such State law. Borrower hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent, dower, and curtesy.

(20) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower will, after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex, handicap, familial status, age or national origin, and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, sex, handicap, familial status, age or national origin.

(21) Borrower further agrees that the loan(s) secured by this instrument will be in default should any loan proceeds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 CFR Part 1940, Subpart G, Exhibit M.

(22) This instrument shall be subject to the present regulations of the Farmers Home Administration, and to its future regulations not inconsistent with the express provisions hereof.

(23) Notices given hereunder shall be sent by certified mail, unless otherwise required by law, addressed, unless and until some other address is designated in a notice so given in the case of the Government to Farmers Home Administration at 333 Waller Avenue, Lexington, Kentucky 40504, and in the case of Borrower at the address shown in the Farmers Home Administration Finance Office records (which normally will be the same as the post office address shown above).

(24) If any provision of this instrument or application thereof to any person or circumstances is held invalid, such invalidity will not affect other provisions or applications of the instrument which can be given effect without the invalid provision or application, and to that end the provisions hereof are declared to be severable.

Wherever "Farmers Home Administration," "FmHA," "Rural Development Administration," or "RDA" may appear, the term "United States of America, acting through the U.S. Department of Agriculture" is substituted.

Given under the hand(s) and seal(s) of Borrower this 18th day of April, 1996.

CO-BORROWER:

1 This agreement entered into pursuant to 7 CFR 1951-I, between the United States of America, acting through the Farmers Home Administration (FmHA) (herein called "the Government") pursuant to section 521 of Title V of the Housing Act of 1949 and the borrower(s) whose name(s) and address(es) appears above (herein sometimes referred to as "borrower"), supplements the note(s) from borrower to the Government as described above, and any promissory note(s) for loans made to borrower in the future by the Government. Such future notes, when executed, will be listed below the signature line of this Subsidy Repayment Agreement.

2 I (we) agree to the conditions set forth in this agreement for the repayment of the subsidy granted me (us) in the form of interest credits or Homeownership Assistance Program (HOAP) subsidy (hereinafter called "subsidy").

3 I (we) agree that the real property described in the mortgage(s) listed above is pledged as security for repayment of the subsidy received or to be received. I (we) agree that the subsidy is due and payable upon the transfer of title or non-occupancy of the property by me (us). I (we) understand that the real estate securing the loan(s) is the only security for the subsidy received. I (we) further understand that I (we) will not be required to repay any of the subsidy from other than the value (as determined by the Government) of the real estate, mortgaged by myself (ourselves) in order to obtain a Section 502 Rural Housing (RH) loan.

4 I (we) understand that so long as I (we) continue to own the property and occupy the dwelling as my (our) residence, I (we) may repay the principal and interest owed on the loan and defer repaying the subsidy amount until title to the property is conveyed or the dwelling is no longer occupied by me (us). If such a request is made, the amount of subsidy to be repaid will be determined when the principal and interest balance is paid. The mortgage securing the FmHA RH loan(s) will not be released of record until the total amount owed the Government has been repaid.

5 I (we) agree that Paragraph 6 of this agreement is null and void should the property described in the mortgage(s) be voluntarily conveyed to the Government or liquidated by foreclosure.

6 When the debt is satisfied by other than voluntary conveyance of the property to the Government or by foreclosure, I (we) agree that sale proceeds will be divided between the Government and me (us) in the following order:

(a) Unpaid balance of loans secured by a prior mortgage as well as real estate taxes and assessments levied against the property which are due will be paid.

(b) Unpaid principal and interest owed on FmHA RH loans for the property and advances made by FmHA which were not subsidy and are still due and payable will be paid to the Government.

(c) I (we) will receive from the sale proceeds actual expenses incurred by me (us) necessary to sell the property. These may include sales commissions or advertising cost, appraisal fees, legal and related costs such as deed preparation and transfer taxes. Expenses incurred by me (us) in preparing the property for sale are not allowed unless authorized by the Government prior to incurring such expenses. Such expenses will be authorized only when FmHA determines such expenses are necessary to sell the property, or will likely result in a return greater than the expense being incurred.

(d) I (we) will receive the amount of principal paid off on the loan calculated at the promissory note interest rate.

(e) Any principal reduction attributed to subsidized interest calculations will be paid to the Government.

(f) I (we) will receive my original equity which is the difference between the market value of the security, as determined by the FmHA appraisal at the time the first loan subject to recapture of subsidy was made, and the amount of the FmHA loan(s) and any prior lien. This amount is 0 and represents n/a percent of the market value of the security. (The

FaHA Instruction 1951-I  
 Exhibit A  
 Page 3

percent is determined by dividing my (our) original equity by the market value of the security when the loan was closed.) The dollar amounts and percent will be entered at the time this agreement is signed by me (us) and will be part of this agreement.

(g) The remaining balance, after the payments described in (a) thru (f) above have been paid is called value appreciation. The amount of value appreciation to be paid to the Government, in repayment or the subsidy granted, is the lesser of (1) the full amount of the subsidy or (2) an amount determined by multiplying the value appreciation by the appropriate factor in the following table.

Average interest rate paid by me (us)

No. of Months the Loan was Outstanding	1% or Less	1.1 to 2%	2.1 to 3%	3.1 to 4%	4.1 to 5%	5.1 to 6%	6.1 to 7%	7.1 or greater
0 to 59	.78	.68	.60	.51	.44	.32	.22	.11
60 to 119	.75	.66	.58	.49	.42	.31	.21	.11
120 to 179	.73	.63	.56	.48	.40	.30	.20	.10
180 to 239	.65	.56	.49	.42	.36	.26	.18	.09
240 to 299	.59	.51	.46	.38	.33	.24	.17	.09
300 to 359	.53	.45	.40	.34	.29	.21	.14	.09
360 to 396	.47	.40	.36	.31	.26	.19	.13	.09

(h) I (we) will receive the amount of value appreciation less the amount paid the Government as determined in (g) above. I (we) will also receive an additional amount in proportion to my original equity by reducing the amount of value appreciation due to the Government by the percent of my (our) original equity as shown in (f) above.

(i) If I (we) am the recipient of HOAP, the amount of value appreciation to be recaptured will be calculated as if I (we) had paid 1 percent interest on the loan, unless the average interest rate paid by me (us) was greater than 1 percent. In such cases it will be determined based on the average interest rate paid by me (us).

(j) If this agreement is for a subsequent loan(s) only, the amount of repayment determined in (g) above will be reduced by the following percent: n/a. This percent will be determined by dividing the amount of the loan(s) subject to recapture by the total outstanding RH debt. This percentage will be entered at the time I (we) sign this agreement.

(k) If this agreement is for more than one loan that is subject to recapture, the subsidy repayment computations will be based on the total subsidy granted on all loans.

FmHA Instruction 1951-I  
Exhibit A  
Page 4

7 When a FmHA RH loan is repaid by other than foreclosure, voluntary conveyance, or sale of property, the amount of subsidy to be repaid the Government will be determined in the same manner as described in paragraph 6 of this Exhibit but based on the appraised value determined by FmHA instead of sales price. In such cases, the subsidy due the Government will remain a lien on the property until paid. It must be paid upon non occupancy, sale, or transfer of title to the property.

8 I (we) have read and agree to the provisions of this agreement.

## REARMORTIZATION AGREEMENT

Account Number  
[REDACTED]Effective Date  
April 18, 2003

The United States of America, acting through the Rural Housing Service, United States Department of Agriculture (Lender), is the owner and holder of a promissory note or assumption agreement (Note) in the principal sum of \$ 46280.00, plus interest on the unpaid principal of 6.75000% per year, executed by GINA L HOWES and

(Borrower) dated April 18, 1996 and payable to the order of the Lender. The current outstanding balance includes unpaid principal, accrued unpaid interest, unpaid advances and fees. The total outstanding balance is \$ 43976.32.

In consideration of the rearmortization of the note or assumption agreement and the promises contained in this agreement, the outstanding balance is capitalized and is now principal to be repaid at 6.75000% per annum at \$ 299.39 per month beginning May 18, 2003 and on THE 18th DAY OF each succeeding month until the principal AND INTEREST ARE PAID, EXCEPT THAT THE final installment of the entire debt, if not paid sooner, will be due and payable on April 18, 2029.

If the outstanding loan balance prior to rearmortization was reduced by a payment which was later determined to be uncollectible, Rural Housing Service will charge the account with an amount equal to the uncollectible payments. This amount is due and payable on the effective date it is charged to the account and may accrue interest at the promissory note rate.

Subject to applicable law or to a written waiver by Lender, Borrower shall pay to lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for : (a) yearly taxes and assessments which may attain priority over Lender's mortgage or deed of trust (Security Instrument) as a lien on the secured property described in the Security Agreement (Property); (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums, if any. These items are called "Escrow Items." Lender may, at any time, collect and hold funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan, may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"), unless another law or federal regulation that applies to the funds sets a lesser amount. If so, Lender may, at any time, collect and hold funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

Exhibit D

The funds shall be held by a federal agency, including Lender, or in an institution whose deposits are insured by a federal agency, instrumentality, or entity. Lender shall apply funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits the Lender to make such charge. However, Lender may require borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the funds.

Lender shall give to borrower, without charge, an annual accounting of the funds, showing credits and debits to the funds and the purpose for which each debit to the Funds was made. The funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

Unless changed by this agreement, all of the terms of the note or assumption agreement or the instruments that secure them, remain unchanged.

Upon default in the payment of any one of the above installments or failure to comply with any of the conditions and agreements contained in the above-described note or assumption agreement or the instruments securing it, the Lender, at its option may declare the entire debt immediately due and payable and may take any other action authorized to remedy the default.
